teacher. This helps us to safeguard children.

Parents' Evenings

Parents' evenings have been scheduled for 22nd and 27th February. Please add these dates to your diaries.

Headteacher

You have probably noticed that I am not as available in the mornings and evenings as I was last academic year. This is because I am teaching a lot this year in Years 5 and 6. I teach Year 5 in the morning and I help support individuals and groups with their learning in the afternoons and at three after-school sessions too. I am really enjoying working with one group of children for the whole year.

This will continue for most of this academic year. If you do need to catch up with me, I am usually available after school on a Tuesday or Thursday evening or

please book a time through Mrs. Porter in the office and we'll arrange an alternative time.

Clubs

There have been no clubs this half-term because of the dark nights and poor weather at this time of year. Clubs will resume after half-term and a letter will be sent out in the week beginning 5th February.

PE

Please make sure your children have PE kit on the correct days. These are all listed on the class pages on our website.

We are finding a few children are regularly coming unprepared.

If kit or school clothes are lost or left on the playground, and have no name on, we usually place the clothes or shoes in the appropriate cloakroom.

If you have lost kit, a good time to look is after the children have left in the evening as the cloakrooms are empty and lost items are easier to find.
