1. Introduction/Aim

At Bressingham Primary School we believe that regular school attendance is essential if children are to achieve their full potential. We value the attendance of all pupils. Missing out on lessons leaves children vulnerable to falling behind and can put them at risk of wider harm. There is a [wide range of evidence](#) as to the health and wellbeing benefits of school-age education. [Research](#) commissioned by the Department for Education shows missing school for even a day can mean a child is less likely to achieve good grades, which can have a damaging effect on their life chances. As set out in this policy, we will work with families to identify the reasons for poor attendance and try to resolve any difficulties at the earliest opportunity.

Our attendance policy aims to give clear guidance to staff, parents, pupils, and governors to:

- Support pupil’s achievement by establishing the highest possible levels of attendance and punctuality;
- Recognise the key role of all staff in promoting good attendance;
- Provide a clear framework for monitoring and responding to pupil absences;
- Make parents / carers aware of their legal responsibilities and ensure their children have access to the education to which they are entitled.

We recognise that attendance is a matter for the whole school community. Our Attendance Policy should not be viewed in isolation; it is a strand that runs through all aspects of school improvement, supported by our policies on safeguarding, prevention of bullying, behaviour, and inclusive learning. This policy also considers the Human Rights Act 1998, the Equality Act 2010, UN Convention on the Rights of the Child, and other relevant legislation.

2. Legal Framework

Section 7 of the 1996 Education Act states that parents must ensure that children of compulsory school age receive efficient full-time education suitable to their age, ability, and aptitude to any special educational needs they may have, either by regular attendance at school or otherwise. A child is of compulsory school age at the beginning of the term following their 5th birthday. A child ceases to be of compulsory school age on the last Friday in June of the school year in which they reach the age of 16.

The government expects all schools and local authorities to:

- Promote good attendance and reduce absence, including persistent absence;

<i>Group:</i>		DOCUMENT DETAILS		<i>Scope:</i>	Bressingham
<i>Date of Last Review:</i>	January 2023	<i>Next Review Date:</i>	January 2024	<i>Reviewing Body:</i>	Full Governing Body

- Ensure every pupil has access to full-time education to which they are entitled;
- and act early to address patterns of absence.

Parents are expected to perform their legal duty by ensuring their children of compulsory school age who are registered at school attend regularly.

In accordance with the Education Act 1996, we will work with parents and carers and the Local Authority to ensure that parents are supported to secure education for children of compulsory school age. Where required, we will formalise support and where necessary, work with the LA to use legal measures.

A “Parent” is defined as:

- Any natural parent, whether married or not
- Any parent who, although not a natural parent, has parental responsibility as defined in the Children Act (1989) for a child or young person
- Any person who, although not a natural parent, has care of a child or young person

3. Roles and Responsibilities

At Bressingham Primary School, we believe that improving school attendance is everyone’s business. That it is a shared responsibility by governors, all school staff, parents, pupils, and the wider school community.

- Work with other agencies to improve attendance and support pupils and their families.

The member of staff responsible for attendance will work to further develop relationships with families to bring about improved attendance. This may involve seeking multi-agency support. The member of staff responsible for attendance will support good attendance, respond to concerns, and promote improvement in attendance by:

- Monitoring and analysing pupil attendance data.
- Undertaking weekly attendance meetings with the Designated Safeguarding Lead and other relevant staff members.

- Making referrals to appropriate external agencies.

Bressingham Primary School requests that parents:

- Take a positive interest in their child’s work and educational progress.
- Ensure their child has regular attendance at school.
- Instil the value of education and regular school attendance within the home environment.
- Contact the school if their child is absent to let them know the reason why and the expected date of return, following this with a note wherever possible.
- Avoid unnecessary absences; for example, by making medical and dental appointments for outside of school hours.
- Ask the school for help if their child is experiencing difficulties with any aspect of their schoolwork or home and family life.
- Inform the school of any change in circumstances that may impact on their child’s attendance.
- Support the school by becoming involved in their child’s education, forming a positive relationship with school, and acknowledging the importance of children receiving the same messages from both school and home.
- Maintain effective routines at home to support good attendance.
- Attend all meetings requested to discuss attendance issues.

Pupils will:

- Be aware of the school’s attendance policy and when and where they are required to attend. This will be communicated to them by school staff, parents and through the school timetable.
- Speak to their class teacher or another member of staff if they are experiencing difficulties at school or at home which may impact on their attendance.
- Attend all lessons ready to learn, with the appropriate learning tools requested and on time for the class.
- Bring a note of explanation from their parents or guardians to explain an absence that has happened or is foreseen.
- Follow the school procedure if they arrive late. This will help the school to monitor attendance and keep accurate records for the child’s individual attendance. This is also vital for health and safety in the event of a school evacuation.

4. Categorising Absence and Attendance

When marking our registers, we will apply the national codes as outlined and regulated by the Department for Education guidance to accurately record and report attendance.

4.1 Leave of Absence

<i>Group:</i>		DOCUMENT DETAILS		<i>Scope:</i>	Bressingham
<i>Date of Last Review:</i>	January 2023	<i>Next Review Date:</i>	January 2024	<i>Reviewing Body:</i>	Full Governing Body

Since September 2013, changes to Government regulations and guidance mean that Headteachers can no longer authorise leave of absence unless there are exceptional circumstances. All absences associated with a holiday (without exceptional circumstance) during term time will be marked as unauthorised within the register. Any parents known to have removed their child from school for the sole purpose of a holiday may be referred to the Local Authority and be issued with a penalty notice fine or referred to the Local Authority to consider prosecution.

We believe that children need to be in school for all sessions so that they can make the most progress possible. However, we do understand that there are times where a parent may legitimately request leave of absence for a child due to 'exceptional circumstances'. At Bressingham Primary School, leave of absence is only granted at the discretion of the Headteacher and shall not be granted unless there are 'exceptional circumstances'. Bressingham Primary School will respond to all applications for leave of absence in writing.

Parents wishing to apply for leave of absence during term time must apply in writing to the Headteacher at least a month before the planned leave (see Appendix 2). If a written request for leave of absence is not completed and the leave is taken without a request being submitted, the leave will not be considered by the Headteacher, and it will be marked as unauthorised. Bressingham Primary School will treat each application individually and discuss with you the circumstances of the application before a decision is made. Retrospective requests will not be considered and therefore will result in the absence being categorised as **unauthorised**. In such cases the school may make a referral to the Local Authority to request that a penalty notice fine is issued or consider prosecution.

A penalty notice request or a referral for prosecution may be submitted to the Local Authority should: -

- The parent fails to submit a leave of absence request in advance of taking the leave.
- An application for a leave of absence is not agreed by the Headteacher but is still taken.
- A longer period is taken more than the agreed number of days.

When absence is granted by the Headteacher, the parents will need to agree a date of return. If a pupil fails to return on the expected date and contact is not received from, or made with the parents, school will seek advice from the Local Authority. This could result in possible children missing from education procedures being instigated.

4.2 Medical Appointments and absence due to illness

<i>Group:</i>		DOCUMENT DETAILS		<i>Scope:</i>	Bressingham
<i>Date of Last Review:</i>	January 2023	<i>Next Review Date:</i>	January 2024	<i>Reviewing Body:</i>	Full Governing Body

Parents should try to make appointments outside of school hours wherever possible. Where appointments during school time are unavoidable, we ask that parent notifies the school in advance of the appointment wherever possible. The pupil should only be out of school for the minimum amount of time necessary for the appointment. In most circumstances, a child should not miss a whole day at school for an appointment. If a pupil must attend a medical appointment during the school day, the parent should inform the school of the type of medical appointment being attended. No pupil will be allowed to leave the school site without parental confirmation.

In most cases, absences for illness which are reported following the school's absence reporting procedures will be authorised without the need for parents to supply medical evidence unnecessarily. In line with Department for Education guidance, if we do have a genuine concern about the authenticity of the illness, we may ask the parent to provide medical evidence, such as a prescription, appointment card, or other appropriate form of evidence. If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised.

Where a child has an emerging a pattern of non-attendance, we will discuss the reasons for absence with the child's parent/carer. We will invite parents to attend school-led Attendance Support Panel as an appropriate early intervention strategy. As part of this support, we may seek consent from parents and the pupil as appropriate to make a referral to the 5-19 Healthy Child Programme team and/or to liaise with the child's healthcare professional.¹

Where a pupil has a verified and chronic health condition, we will aim to work with parents to ensure children have access to education and provide appropriate support in line with [Supporting pupils with medical conditions at school](#) and Norfolk County Council policies via the [Medical Needs Service](#). We will also consider whether an Individual Healthcare Plan is required.

4.3 Pupil Absence for the purposes of Religious Observance

Bressingham Primary School acknowledges the multi-faith nature of British society and recognises that, on some occasions, religious festivals may fall outside school holiday periods or weekends and is recognised as such by a relevant religious authority. Where this occurs, the school will consider either authorising the pupil absence or making special leave for religious observance. Parents are requested to give advance notice to the school.

4.4 Gypsy, Roma and Traveller pupils

¹ This is in accordance with the NSCP [Joint Protocol between Health Services & Schools in respect of the management of pupil absence from school when medical reasons are cited](#)

<i>Group:</i>		DOCUMENT DETAILS		<i>Scope:</i>	Bressingham
<i>Date of Last Review:</i>	January 2023	<i>Next Review Date:</i>	January 2024	<i>Reviewing Body:</i>	Full Governing Body

Gypsy, Roma and Traveller (GRT) pupils are among the lowest achieving groups of pupils at every key stage in education, although some GRT pupils achieve very well at school. There are many complex and interwoven factors that may influence the educational attainment of GRT pupils. Schools and Local Authorities can make a big difference to their life chances through:

- Clear high expectation of all pupils, regardless of their background
- An inclusive culture that welcomes all communities
- Strong engagement from parents

In line with The Education Act 1996, Section 444(6) the school will authorise the absence of a pupil of no fixed abode who is unable to attend school because:

- the parent is engaged in a trade or business of such a nature as to require him to travel from place to place,
- that the child has attended at a school as a registered pupil as regularly as the nature of that trade or business permits, and
- if the child has attained the age of six, that he has made at least 200 attendances during the period of 12 months ending with the date on which the proceedings were instituted

This provision applies *only* when the family are engaged in a trade or business that requires them to travel and when the child is attending school as regularly as that trade permits. In these circumstances, parents have a duty to ensure that their children are receiving suitable education when not at school.

When a family is trading or otherwise conducting their business in or around Norfolk, if a family can reasonably travel back to their base school (see below) then the expectation is that their child will attend full-time. Bressingham Primary School will be regarded as the base school if it is the school where the child normally attends when he or she is not travelling. However, the pupil must have attended Bressingham Primary School in the last 18 months. Parents can register their children at other schools temporarily while away from their base school; in such cases, the pupil's school place at Bressingham Primary School will be kept open for them whilst travelling. This is to protect them from unfairly losing their place at their school of usual attendance.

To ensure we can effectively support all our pupils, we ask that parents:

- Advise the school of their forthcoming travelling patterns as soon as these are known and before they happen; and
- Inform the school regarding proposed return dates.

4.5 Unauthorised Absence

Absence will not be authorised unless parents have provided a satisfactory explanation and it is accepted as such by the school. The decision to authorise absences is at the discretion of the Headteacher. Examples of unsatisfactory explanations include but are not limited to:

<i>Group:</i>		DOCUMENT DETAILS		<i>Scope:</i>	Bressingham

- A pupil’s/family member’s birthday
- Shopping for uniforms
- Arrangements or appointments for cutting the pupil’s hair
- Closure of a sibling’s school for INSET (or other) purposes
- An unwillingness to attend school, or inability to attend owing to inadequate personal/family organisation
- A refusal to attend school on health grounds but where the pupil is considered well enough to attend
- Holidays taken without the authorisation of the school

5. Our Procedures

5.1 Register Keeping and Recording

The Education (Pupil Registration) (England) Regulations 2006, as amended by 2016 regulations, require schools to take an attendance register twice a day, once at the start of the morning session and then again during the afternoon session. The register must record whether the pupil was:

- Present;
- Absent;
- Present at approved educational activity; or
- Unable to attend due to exceptional circumstances.²

For the purpose of this policy, the school defines:

“Absence” as:

- Arrival at school after the register has closed
- Not attending school for any reason

“Regular” attendance as:

- Attendance at every session the school is open to pupils unless their absence has been authorised

An “authorised absence” as:

- An absence for sickness for which the school has granted leave
- Medical or dental appointments which unavoidably fall during school time, for which the school has granted leave
- Religious or cultural observances for which the school has granted leave
- An absence due to a family emergency or unavoidable cause

An “unauthorised absence” as:

- Parents keeping children off school unnecessarily or without reason

<i>Group:</i>		DOCUMENT DETAILS		<i>Scope:</i>	Bressingham
<i>Date of Last Review:</i>	January 2023	<i>Next Review Date:</i>	January 2024	<i>Reviewing Body:</i>	Full Governing Body

- Truancy before or during the school day
- Absences which have never been properly explained
- Arrival at school after the register has closed
- Shopping, looking after other children or birthdays
- Day trips and holidays in term-time which have not been agreed
- Leaving school for no reason during the day

5.2 Late Arrival at School

At Bressingham Primary School all pupils are expected to arrive on time for every day of the school year. The school day begins at 8.55am. We advise all parents to ensure their child is on site prior to this. The school register will be taken at 9.00am. All pupils arriving after this time are required to report to the main office where the time of their arrival is noted. Office staff will who will note significant or repeat arrivals on CPOMs and an explanation for their absence. If their arrival is before 9.15am it will be recorded as late - L code (Late before the close of register).

The school register will officially close at 9.15am. All pupils arriving on or after this time will be marked as having an unauthorised absence for the morning session - U code (Late after the close of register). This is categorised as an unauthorised absence for the session. Parents will be contacted to discuss any patterns of late arrival. Repeated arrival after the close of registration will result in appropriate interventions being instigated and may also result in a penalty notice being issued or prosecution.

Please note: L or U codes will be used if a pupil arrives after the close of the afternoon register for the PM session.

5.3 Expected absence procedure for parents:

A parent has a legal responsibility to ensure that their child attends school regularly. If a child is unavoidably absent from school parents are expected to contact school by telephone call on the morning of the first day of absence and on each subsequent day, identifying the reason for absence and the expected date of return. If no contact is received, then absence protocols will be instigated.

If a child is absent, the following actions will be initiated by the school:

- The first day calling procedures will be activated for all pupils who are not in school after close of register at 9.15am and where no reason for absence is known.

<i>Group:</i>		DOCUMENT DETAILS		<i>Scope:</i>	Bressingham
<i>Date of Last Review:</i>	January 2023	<i>Next Review Date:</i>	January 2024	<i>Reviewing Body:</i>	Full Governing Body

- If there is still no contact made from the pupil’s parents, a further telephone call home will be made again that morning. If no response can be gained, the child’s named emergency contact will be telephoned
- If school cannot contact a parent and are concerned about a pupil, a home visit may be carried out
- School will telephone home if a pupil leaves the school without permission

In certain circumstances the School may also:

- Visit the home of the pupil
- Write to the parents of a pupil to highlight attendance or punctuality issues
- Invite parents to discuss how school can support the family to make improvement
- Refer to an external agency/ support service to offer support, guidance, and advice
- Refer to the Local Authority for joint enquiries to be made to establish the whereabouts of the child through [Children Missing Education procedures](#)
- Refer to the Local Authority to consider issuing a penalty notice or to consider prosecution when all other interventions have failed, or an unauthorised leave of absence has been taken
- Refer the matter to an appropriate external agency for multi-agency support, such as implementing a Family Support Plan or consulting with the Children’s Advice and Duty Service (CADS) or the police, where there are safeguarding concerns.

Attendance is monitored monthly by an external attendance officer, employed by the school. She identifies pupils whose attendance is at risk of falling below the persistent absence threshold of 90%. These pupils are discussed among senior managers and a range of strategies is employed to engage with parents and improve attendance. This includes informal meetings, letters and provision of support within school where required.

Children are repeatedly reminded about washing hands to prevent the spread of germs and gel dispensers are provided to make this habitual. The school is deep cleaned each half term break.

At Bressingham Primary School we will investigate any pupils who are on track to be persistently absent (PA) and will not wait until attendance is below 90%.

“Persistent absenteeism” (PA) as:

- Missing 10% or more of schooling across the year for any reason

“Severe absence” (SA) as:

- Missing 50% or more of schooling across the year for any reason

5.5 Support Systems

At Bressingham Primary School we recognise that poor attendance can be an indication of difficulties in a family’s life. This may be related to problems at home and or in school. Parents are encouraged to inform school of any difficulties or changes in circumstances that may affect their child’s attendance and or behaviour in school, for example, bereavement, divorce/separation, emerging health concerns. This will help the school identify any additional support that may be required.

We also recognise that some pupils are more likely to require additional support to attain good attendance. The school will implement a range of strategies to support improved attendance based on the individual needs and circumstances of the child.

Strategies we may use to support you include:

The school will implement a range of strategies to support improved attendance.

Strategies used may include:

- Discussion with parents and pupils
- Parent Support advisor
- Pupil voice
- Friendship groups
- 1 to 1 mentoring
- Reward systems
- Additional learning support
- Behaviour support

- Reintegration support packages
- Attendance panels
- Parenting contracts
- Engaging the support of other agencies

To plan the correct support, we will always invite parents and pupils to attend a meeting to discuss the concerns and devise a plan to support the child’s regular attendance. Support offered to families will be child-centred and planned in discussion and agreement with both parents and pupils.

5.6 Persistent Absence and the use of legal interventions

A pupil becomes a ‘persistent absentee’ (PA) when their attendance drops to 90% and below for any reason. Over a full academic year this would be 38 sessions (19 days). Absence at this level is causing considerable damage to a child’s educational prospects.

The attendance of all pupils at our school are monitored to identify children who are PA, or are on track to becoming PA. Where emerging concerns are identified we will instigate appropriate and timely interventions as outlined in the section above. Referrals may also be made to external agencies for targeted support.

If parents fail to engage with support and their child continues to have unsatisfactory attendance/ punctuality, a request may be made to the Local Authority to pursue legal proceedings either through a penalty notice for parentally condoned absence, consideration of an Education Supervision Order or prosecution in the Magistrates’ Court.

Parents found guilty in a Magistrates’ Court of failing to secure their child’s regular attendance at school under the provisions of the Education Act 1996, will receive a criminal record and a maximum penalty of a £1000 fine under a Section 444 (1) offence or a £2500 fine or up to a 3-month prison sentence, under a Section 444 (1a) offence.

5.7 Reduced timetables

All schools have a statutory duty to provide full-time education for all pupils and we are committed to every child’s right to a suitable, full-time education offer. In very exceptional circumstances, we may decide to implement a temporary, reduced timetable to meet a pupil's individual needs and only where it is safe to do so. We will not use a reduced timetable to manage a pupil’s behaviour. A reduced timetable will not be treated as a long-term solution and will have a time limit by which point the pupil is expected to attend full-time or be provided with alternative provision. We will never put a reduced timetable in place without written agreement from parent/carer and/or other professionals working with the family as appropriate. This intervention will only

<i>Group:</i>		DOCUMENT DETAILS		<i>Scope:</i>	Bressingham
<i>Date of Last Review:</i>	January 2023	<i>Next Review Date:</i>	January 2024	<i>Reviewing Body:</i>	Full Governing Body

be used as part of a comprehensive package of support for the pupil; it will be reviewed regularly in partnership with the child, parent and any other relevant professionals working with the family

In line with Norfolk County Council [guidance](#), we will notify the Attendance Team of all reduced timetables as soon as a plan has been agreed.

6. Deletions from the Register

At Bressingham Primary School we will add and will only delete pupils from our school roll in line with the Pupil Registration Regulations. In most circumstances, we will know in advance about pupils leaving our school; this will be planned and discussed with the parent in advance of the pupil leaving. At Bressingham Primary School we will always work with families to gain information about the pupil’s next school and/or address before the pupil leaves to reduce the risk of pupils becoming a child missing education through lack of shared information.

We follow Norfolk County Council’s Child Missing Education procedures and will inform the Children Missing Education Team of all removals from our school roll no later than the date the child is removed in line with statutory responsibilities.

If a child is removed from roll to home educate, we can only de-register the child if we receive, in writing, the parent’s intention to educate their child other than at school. The pupil will be de-registered on receipt of such a letter and Norfolk County Council will be informed of the removal from roll as outlined above. We will also inform Norfolk County Council’s Services to Home Educators Team by completing a referral form.

Bressingham Primary School will follow Norfolk County Council’s [Children Missing Education procedures](#) when a pupil’s whereabouts is unknown, and the school will carry out joint enquiries with Norfolk County Council to establish the whereabouts of the child.

Appendix 1: Categorising Absence and Attendance

The table below shows the national codes which enable all schools to record and monitor attendance and absence in a consistent way, and comply with the regulations.

Absence and Attendance Codes	
Present at School	
/ \	Registration code / \ : present in school / = am \ =pm
L	Late arrival before the register has closed. Schools should have a policy on how long registers should be kept open; this should be for a reasonable length of time but not that registers are to be kept open for the whole session. A pupil arriving after the register has closed should be marked absent with code U, or with another absence code if that is more appropriate.
Attendance codes for when pupils are present at approved off-site educational activity	
B	Off-site educational activity. This code should be used when pupils are present at an off-site educational activity that has been approved by the school. Ultimately schools are responsible for the 11 safeguarding and welfare of pupils educated off-site. Therefore by using code B, schools are certifying that the education is supervised and measures have been taken to safeguard pupils. This code should not be used for any unsupervised educational activity or where a pupil is at home doing school work. Schools should ensure that they have in place arrangements whereby the provider of the alternative activity notifies the school of any absences by individual pupils. The school should record the pupil's absence using the relevant absence code.
D	Dual Registered – at another educational establishment. This code is not counted as a possible attendance in the School Census. The law allows for dual registration of pupils at more than one school. This code is used to indicate that the pupil was not expected to attend the session in question because they were scheduled to attend the other school at which they are registered. The main examples of dual registration are pupils who are attending a pupil referral unit, a hospital school or a special school on a temporary basis. It can also be used when the pupil is known to be registered

	at another school during the session in question. Each school should only record the pupil's attendance and absence for those sessions that the pupil is scheduled to attend their school. Schools should ensure that they have in place arrangements whereby all unexplained and unexpected absence is followed up in a timely manner.
J	At an interview with prospective employers, or another educational establishment. This code should be used to record time spent in interviews with prospective employers or another educational establishment. Schools should be satisfied that the interview is linked to employment prospects, further education or transfer to another educational establishment.
P	Participating in a supervised sporting activity. This code should be used to record the sessions when a pupil is taking part in a sporting activity that has been approved by the school and supervised by someone authorised by the school.
V	Educational visit or trip. This code should be used for attendance at an organised trip or visit, including residential trips organised by the school, or attendance at a supervised trip of a strictly educational nature arranged by an organisation approved by the school.
W	Work experience. Work experience is for pupils in the final two years of compulsory education. Schools should ensure that they have in place arrangements whereby the work experience placement provider notifies the school of any absences by individual pupils. Any absence should be recorded using the relevant code.
Absence codes when pupils are not present in school	
C	Leave of absence authorised by the school. Only exceptional circumstances warrant an authorised leave of absence. Schools should consider each application individually taking into account the specific facts and circumstances and relevant background context behind the request.
E	Excluded but no alternative provision made. If no alternative provision is made for a pupil to continue their education whilst they are excluded but still on the admission register, they should be marked absent in the attendance register using Code E. Alternative provision must be arranged for each excluded pupil from the sixth consecutive day of any fixed period or permanent exclusion. Where alternative provision is made they should be marked using the appropriate attendance code.
H	Holiday authorised by the school. Head teachers should not grant leave of absence unless there are exceptional circumstances. The application must be made in advance and the head teacher must be satisfied that there are exceptional circumstances based on the individual facts and circumstances of the case which warrant the leave. Where a leave of absence is granted, the head teacher will

	determine the number of days a pupil can be away from school. A leave of absence is granted entirely at the head teacher's discretion.
I	Illness (not medical or dental appointments). Schools should advise parents to notify them on the first day the child is unable to attend due to illness. Schools should authorise absences due to illness unless they have genuine cause for concern about the veracity of an illness. If the authenticity of illness is in doubt, schools can request parents to provide medical evidence to support illness. Schools can record the absence as unauthorised if not satisfied of the authenticity of the illness but should advise parents of their intention. Schools are advised not to request medical evidence unnecessarily. Medical evidence can take the form of prescriptions, appointment cards, etc. rather than doctors' notes.
M	Medical or dental appointments. Missing registration for a medical or dental appointment is counted as an authorised absence. Schools should, however, encourage parents to make appointments out of school hours. Where this is not possible, the pupil should only be out of school for the minimum amount of time necessary for the appointment.
R	Religious observance. Schools must treat absence as authorised when it is due to religious observance. The day must be exclusively set apart for religious observance by the religious body to which the parents belong. Where necessary, schools should seek advice from the parents' religious body about whether it has set the day apart for religious observance.
S	Study leave. Schools must record study leave as authorised absence. Study leave should be used sparingly and only granted to Year 11 pupils during public examinations. Provision should still be made available for those pupils who want to continue to come into school to revise.
T	Gypsy, Roma and Traveller absence. A number of different groups are covered by the generic term Traveller – Roma, English and Welsh Gypsies, Irish and Scottish Travellers, Showmen (fairground people) and Circus people, Bargees (occupational boat dwellers) and New Travellers. This code should be used when Traveller families are known to be travelling for occupational purposes and have agreed this with the school but it is not known whether the pupil is attending educational provision. It should not be used for any other types of absence by these groups. To help ensure continuity of education for Traveller children it is expected that the child should attend school elsewhere when their family is travelling and be dual registered at that school and the main school. Children from these groups whose families do not travel are expected to register at a school and attend as normal.

	They are subject to the same rules as other children in terms of the requirement to attend school regularly once registered at a school.
Unauthorised Absence from School	
G	Holiday not authorised by the school or in excess of the period determined by the head teacher. If a school does not authorise a leave of absence for the purpose of a holiday but the parents still take the child out of school, or the child is kept away for longer than was agreed, the absence is unauthorised. The regulations do not allow schools to give retrospective approval. If the parents did not apply for leave of absence in advance, the absence must be recorded as unauthorised.
N	Reason for absence not yet provided. Schools should follow up all unexplained and unexpected absences in a timely manner. Every effort should be made to establish the reason for a pupil's absence. When the reason for the pupil's absence has been established the register should be amended. This code should not be left on a pupil's attendance record indefinitely; if no reason for absence is provided after a reasonable amount of time it should be replaced with code O (absent from school without authorisation).
O	Absent from school without authorisation. If the school is not satisfied with the reason given for absence they should record it as unauthorised.
U	Arrived in school after registration closed. Schools should actively discourage late arrival, be alert to patterns of late arrival and seek an explanation from the parent.
Administrative Codes	
X	Not required to be in school. This code is used to record sessions that non-compulsory school age children are not expected to attend.
X	Code X: not attending in circumstances relating to coronavirus (COVID-19) (This code is not counted as an absence in the school census) This code is used to record sessions where the pupil's travel to or presence at school would conflict with: <ul style="list-style-type: none"> • guidance relating to the incidence or transmission of coronavirus (COVID-19) from Public Health England or the Department of Health and Social Care¹² or • any legislation (or instruments such as statutory directions) relating to the incidence or transmission of coronavirus (COVID-19)
Y	Unable to attend due to exceptional circumstances. This code can be used where a pupil is unable to attend because: <ul style="list-style-type: none"> • The school site, or part of it, is closed due to an unavoidable cause; or • The transport provided by the school or a local authority is not available and where the pupil's home is not within walking distance; or

	<ul style="list-style-type: none"> • A local or national emergency has resulted in widespread disruption to travel which has prevented the pupil from attending school. <p>This code can also be used where a pupil is unable to attend because:</p> <ul style="list-style-type: none"> • The pupil is in custody; detained for a period of less than four months. If the school has evidence from the place of custody that the pupil is attending educational activities then they can record those sessions as code B (present at approved educational activity). <p>This code is collected in the School Census for statistical purposes.</p>
Z	Pupil not on admission register. This code is available to enable schools to set up registers in advance of pupils joining the school to ease administration burdens. Schools must put pupils on the admission register from the first day that the school has agreed, or been notified, that the pupil will attend the school.
#	Planned whole or partial school closure. This code should be used for whole or partial school closures that are known or planned in advance such as: between terms; half terms; occasional days (for example, bank holidays); weekends (where it is required by the management information system); up to five non-educational days to be used for curriculum planning/training; and use of schools as polling stations.

Dear Parent,

Attendance at school and legal intervention

Where parents decide to have their child registered at school, they have an additional legal duty to ensure their child attends that school regularly.

[Research](#) commissioned by the Department for Education shows missing school for even a day can mean a child is less likely to achieve good grades, which can have a damaging effect on their life chances. At [INSERT NAME OF SCHOOL] our aim is to work with parents to ensure that all our pupils receive the most from their education and reach their full potential.

This letter is to remind all parents about the law that requires them to ensure that their child attends school regularly. The Government is very clear that no child should miss school apart from in exceptional circumstances and schools must take steps to reduce absence to support children’s attainment.

The DfE policy document entitled, [‘Working together to improve school attendance’](#) states:

- Only exceptional circumstances warrant a leave of absence. Schools should consider each application individually taking into account the specific facts and circumstances and relevant background context behind the request.
- If a leave of absence is granted, it is for the headteacher to determine the length of the time the pupil can be away from school.

<i>Group:</i>		DOCUMENT DETAILS		<i>Scope:</i>	Bressingham
<i>Date of Last Review:</i>	January 2023	<i>Next Review Date:</i>	January 2024	<i>Reviewing Body:</i>	Full Governing Body

- As head teachers should only grant leaves of absence in exceptional circumstances it is unlikely a leave of absence will be granted for the purposes of a family holiday.

If the school does not receive a request for leave, the head teacher will be unable to consider your individual circumstances and the absence will be recorded as unauthorised. There will be no obligation on the head teacher to reconsider authorising the leave if an application has not been made in advance.

The Local Authority operates a system where any pupil will meet the criteria for legal intervention if they have **at least 9 sessions (4.5 school days) lost to unauthorised absence by the pupil during 6 school weeks**. The intervention could be in the form of a fixed penalty notice. Any pupil at [INSERT NAME OF SCHOOL] who meets the criteria, will be referred to the Local Authority for action to be considered.

If a fixed penalty notice is issued, the arrangement for the payment will be detailed on the notice. The penalty is £60 if paid within 21 days of receipt, rising to £120 if paid after 21 days but within 28 days. A parent may receive more than one separate penalty notice resulting from unauthorised absence. When penalty notices are issued each parent will receive one per child. Therefore, each parent could receive multiple notices if they have more than 1 child who has been absent. You should be aware that failure to pay the total amount within the timescale will result in legal action being taken. In some circumstances, the Norfolk County Council Attendance Team may choose not to issue a further penalty notice in the same academic year and may instead choose to prosecute a parent under the Education Act 1996 S444. There is no right of appeal by parents against a fixed penalty notice.

I hope we can count on your support in this matter, please do not hesitate to contact me if you have any questions.

Yours sincerely,

Dawn Gudde & Joanna Lewis

APPLICATION FOR PUPIL LEAVE OF ABSENCE FROM SCHOOL DURING TERM TIME		
Important Information for Parents – please read before completing this form		
<p>We expect every pupil’s attendance at school to be 100% unless there are exceptional or unavoidable reasons for absence. Parents do not have any legal entitlement to take their child on holiday during term time. It is the Headteacher who decides whether a period of leave during term time will be authorised or not in line with legislation. The Education (Pupil Registration) (England) Regulations 2006 (amended in September 2013) make it clear that Headteachers cannot grant any leave of absence during term time unless ‘exceptional circumstances’ exist. Every request for leave of absence during term time will reviewed on an individual basis with due consideration of the circumstances but the Headteacher can only grant leave of absence if they consider exceptional circumstances apply. If the exceptional circumstances are agreed, the Headteacher will determine the length of the absence to be authorised.</p> <p>All requests for leave of absence should be made in advance and before any arrangements are confirmed or money committed. This form must be completed in full by the parent who intends to remove the pupil from school during term time. Failure to make a request for a leave of absence in advance will result in the absence taken being recorded as unauthorised.</p>

Attendance Policy Quick Guide for Parents

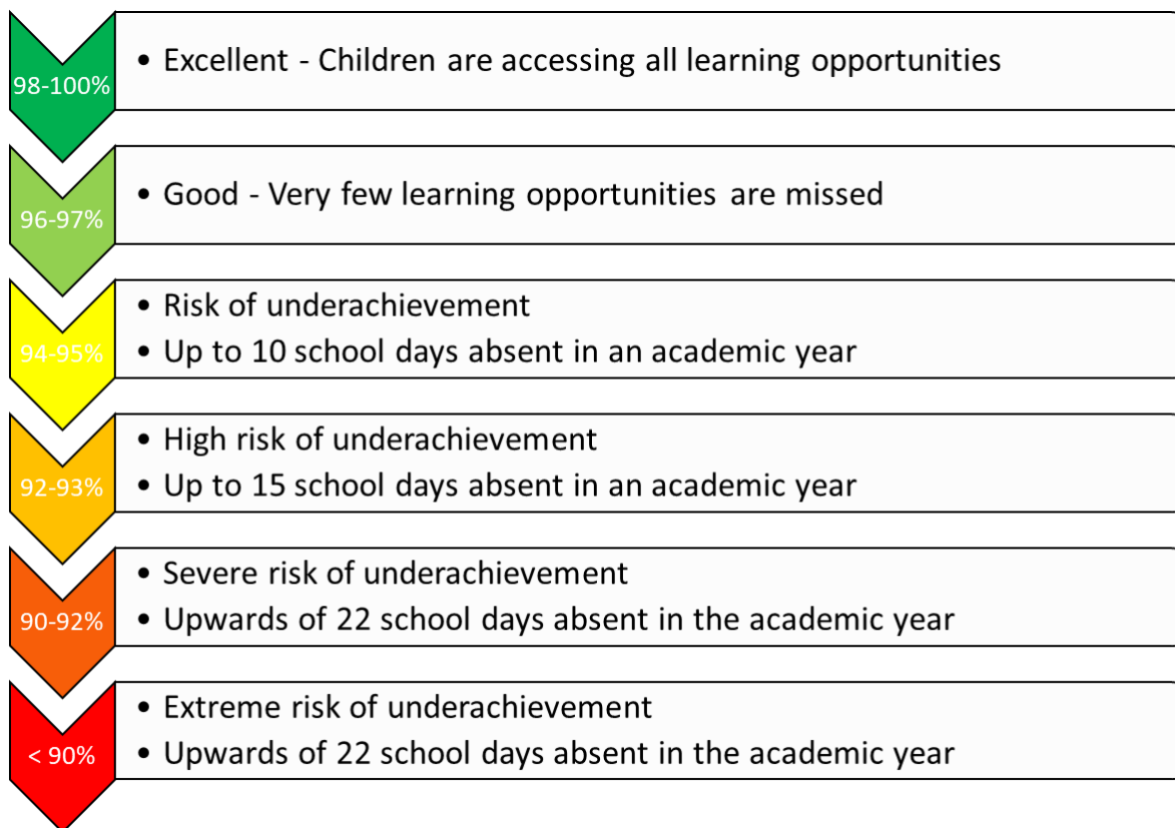

We expect pupils to attend school for 100% of the academic year.

You can support your child to have excellent attendance by taking these steps:

- Ensure your child arrives on time for school every day and is ready to learn. Arriving after registration is recorded as an unauthorised absence. Pupils must be in school by 8.55am.
- Avoid taking holidays during term time.
- If your child appears to be only slightly ill, send them in to school. We have staff who will contact you if their condition deteriorates.
- Book any medical appointments outside of school hours. If this is unavoidable, please book for as late in the afternoon as possible and inform the school of appointments in advance.
- Supply a copy of the appointment card or hospital letter if your child has an appointment during school hours.

If your child becomes reluctant to go to school or you need help, please contact the school immediately; we are more likely to be able to work together to solve any problems if we act early.

‘On the day’ absences: what should I do if my child is not ‘fit’ to go into school?

On each day your child is unfit to come to school, please report this absence by calling 01379 687318 or emailing info@bressingham.norfolk.sch.uk **before 8:20am** to let us know. In the message you must leave your child’s full name, year and tutor group and give the specific reason for absence. The information you give will be recorded on our official register.

Leave of Absence

There may be exceptional circumstances where you need to request a leave of absence for your child. Please use our ‘Leave of absence request’ form to make these types of requests. The form should be submitted in advance of the leave of absence, via info@bressingham.norfolk.sch.uk or in person. You will receive a letter in response, to advise if the request has been granted or declined.

Punctuality

Pupils are expected to arrive on time for school in the morning and for every lesson during the day. Your child is late to school if they are not in their classroom by 8.55am.

Appendix 5: Green Attendance Letter

Dear Parent/ Carer,

Re: School attendance

We wish to keep parents informed about all matters that may affect their children’s education. School attendance is monitored on a regular basis and during a recent review by the school’s Attendance Consultant it was noted that your child’s attendance is at the expected level of above 96% and we would like to celebrate this with you.

We are appreciative that you and your child have managed this attendance level and will continue to monitor attendance levels closely at Bressingham School, as evidence shows that good attendance and good attainment go hand in hand. Every absence has an impact on the child’s learning, not just on that day, but most likely on successive days.

We would like you to continue to encourage your child to attend school on a regular basis, and on time, even when complaining of ailments such as a cold, runny nose and so on, as most children are fine once in school and we will contact you if your child is too unwell to stay at school.

If there are any issues that you feel may be affecting your child’s attendance, that we are unaware of, please contact the school office to arrange an appointment to see one of us.

Thank you for your continued support.

Yours sincerely,

Dear Parent/Carer,

Re: School attendance

We wish to keep parents informed about all matters that may affect their children’s education. School attendance is monitored on a regular basis and during a recent review by the school’s Attendance Consultant it was noted that child’s attendance is falling below the expected level of 96% (90-96%). If you would like a copy of your child’s attendance, please ask at the school office.

We understand that there could be genuine reasons for these absences. However, we monitor attendance levels closely at XXXXX School, as evidence shows that good attendance and good attainment go hand in hand. Every absence has an impact on the child’s learning, not just on that day, but most likely on successive days.

Appendix 7: Red Attendance Letter

Dear Parent/Carer,

Re: School attendance of XXXX

We wish to keep parents informed about anything that may affect their children’s education. School attendance is monitored on a regular basis and during a recent review by the school’s Attendance Consultant it was noted that xxxx’s attendance is significantly below the expected level of 96% - it is actually below 90%. For your information we have enclosed an up to date copy of xxxxx’s attendance. This means that they are missing the equivalent of at least 1 whole day every 2 weeks.

We understand that there could be genuine reasons for these absences. However, we monitor attendance levels closely at our school, as there is research that shows that attendance is linked to success for children in school. This is also true at our school. Every absence has an impact on the child’s learning, not just on that day, but most likely on successive days.

We would like you to encourage XXXX to attend school on a regular basis, and on time. If children are unwell, we will ask you to collect them, so please err on the side of sending them in, to see if they feel better as the day goes on- this is often the case. If you are concerned that your child may need medication within the day to enable them to attend, please talk to us about this. Children who are late may feel awkward about this and it may affect the start of their day emotionally, as well as affecting their learning, as they will have missed something.

If there are any issues that you feel may be affecting xxxxx’s attendance, that we are unaware of, please contact the school office to arrange an appointment to see one of us.

Thank you for your continued support.

Yours sincerely,
