

Year 1  
Spring 2 2023 - A Knight's Tale  
(Second half term)

## English

In English, we will explore the text 'Egg Box Dragon' and we will be writing our instruction texts on how to make one. The children will then be able to use their instructions to make their own egg box dragon. We will also be looking at different poetry linked to spring. The children will also be able to write a recount once they have been on their trip to Framlingham Castle.

## Maths

In maths children will be learning the following:

- \* Place value within 50
- \* Length and height
- \* Mass and volume
- \* Daily arithmetic and problem solving during early morning work

## Science

Investigating materials: we will continue to learn about materials and their properties. We will test a variety of household materials and compare their different properties through experiments.

## History / Geography

In geography, we will investigate the countries and capitals of the United Kingdom. We will describe the key physical and human features of locations and explore aerial photographs.

## Art & Design / Design Technology

In DT, we will be evaluating toy castles and designing our own. We will explore sliders, levers and joining techniques to create a drawbridge and portcullis.

## Music & Computing

In music, we will be exploring timbre and rhythmic patterns. Our computing unit will focus on animated story books.

## PE

This term our focus in PE will be sending and receiving and team building.

## RE & RSHE

We follow the current Norfolk syllabus for RE. Our key enquiry question is: How did the universe come to be? In RSHE we will focus on 'my beliefs' and sun safety.
