

## Year 3 Barn Owls Summer 2, 2023

### English

We will read *The Tunnel* by Anthony Browne and write our own portal stories. We will also write non-fiction texts comparing Bressingham and Diss, linked to our geography work.

### Geography & History

In geography, we will go on field trips to Bressingham and Diss, comparing the village and town and land use. In history we will be looking at the school's links to the Victorian era.

### Design Technology

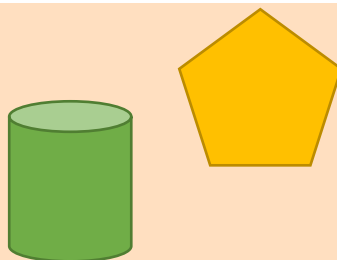

We will be doing a sewing project this term, designing, making and evaluating pencil cases.

### Maths

In maths children will be learning through Fluency, Reasoning and Problem-Solving activities:

- Daily arithmetic practice
- Geometry - properties of shape
- Statistics

**PE** - We will be focusing our skills on Athletics in our main lesson on Wednesdays, and preparing for sports day. For our second P.E session, we will be having specialist hockey sessions or Outdoor and Adventurous Activities (OAA) with Miss Tran.

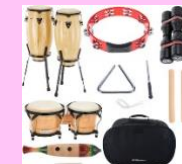

### Science

Our focus in Science is plants - growth and reproduction.

### Music & MFL

In music, we will be using instruments to play sounds inspired by India. In French, we will learn vocabulary to do with animals and plants.

### Computing

We will learn how to do Graphing and use Microsoft PowerPoint.

### RSHE

In RSHE we will be learning about our bodies and first aid.
