

Year 4 Autumn 2 2023

English

In English, we will start by writing a letter using characters from Stig of the Dump. We will go on to write instructions and to understand different styles of poetry by writing our own poems.

Spellings, using the rules, will be set and tested weekly every Friday and alongside grammar and punctuation activities.

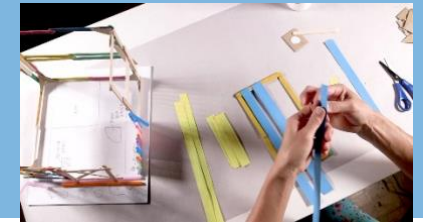

Geography

We will be considering the question: Are all settlements the same?

Design Technology

We will explore how to make strong structures and designing and making a decorated pavilion.

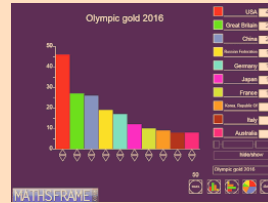

Maths

In maths children will be learning, through Fluency, Reasoning and Problem-Solving activities

* Number: Addition, Subtraction, Division, Multiplication methods

* Geometry, Measures and Statistics

* Daily arithmetic practice and gap questions

PE

On Thursdays, we will have swimming lessons. We will also keep active in different ways, building our fitness and resilience through the daily run and we will also be developing our skills in tag rugby.

Music

Our learning will explore changes in pitch, tempo and Dynamics.

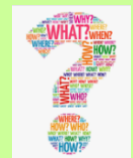

Science

In science we will complete units on Data Collection and States of Matter.

Day	Tally	Frequency
Monday		12
Tuesday		3
Wednesday		7
Thursday		19
Friday		10

RE

In RE, we will be exploring the questions: What do we mean by truth? Is seeing believing?

RSHE and Computing

We will be discussing feelings and learning about road safety in RSHE. In computing, we will continue our work on coding.

MFL

We will be learning vocabulary associated with clothes, possessive adjectives (aime, n'aime pas)
