

Year 3
Summer 1 2024

English

We will start by looking writing diamante poems. Later, we will plan and write a narrative and a persuasive leaflet. We will be reading *Podkin One-Ear* together as a class during whole class reading.

Maths

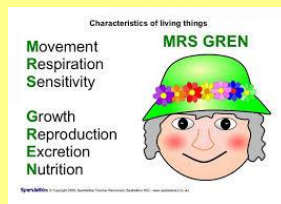

In maths children will be learning, through Fluency, Reasoning and Problem-Solving activities:

- Mass and capacity
- Money
- Time

Science

In science we will start a unit about plants.

RSHE and Computing

We will be discussing the themes of My Rights and Responsibilities, and how to ask for help. In computing, we will work on branching databases and simulations.

History

We will consider the question: How hard was it to invade and settle in England?

Art

We will be developing our realistic drawing skills.

PE

On **Tuesday** we will be learning Rounders skills with Miss Tran and on **Wednesday** we will play Hockey.

Music

Our learning will be about pentatonic scales.

RE

In RE, we will be exploring the question: What do Muslims believe about God?

MFL

We will be learning vocabulary about transport.
