

Year 6  
Summer 1 2024

## English

This term in English we will be writing a journey tale using an extract from *Clockwork* to support our learning. We will also be writing formal and informal letters. We will be using the books *Friend or Foe* by Michael Morpurgo and *Goodnight Mr Tom* to support us in our learning.

Spellings will be tested weekly on a Friday.

## Maths

In maths children will be learning, through fluency, reasoning and problem-solving activities

\* Number: addition, subtraction, division, multiplication methods, and ratio and proportion in Year 6

\* Geometry, measures and statistics

\* Daily arithmetic practice and gap questions.

## Science

In Science we will be completing a biology unit on variations and adaptations of animals and plants.

## Computing

We will be completing the units text adventures and networks.

## History

Our focus this term in history will be around our key question: what was the impact of WW2 on the people of Britain? We will be using the historical knowledge we gather from this topic in some of our English writing too.

## Design and Technology

For this unit we will be looking at structure and applying this to creating our own playground design.

## PE

This half term we will be focusing on rounders and OAA.

## Music

We will be completing an instrumental unit inspired by North America on tuned percussion.

## RE

In RE, we will be exploring the idea of creation or science and whether these topics are conflicting or complementary.

## RSHE

We will focus on the units: My Rights and Responsibilities and Asking for Help.

## MFL

We will be learning about directions, places and transport in French.
