Stars of the week:

Bumblebees: Isla

Rabbits: xxxx

Hedgehogs: Rose

Barn Owls: Alfie

Tawny Owls: Taylor

Kestrels: All of Year 5
and 6

Bumblebee Farm Day

Sitting in the driving seat
in a tractor, finding out
about keeping chickens
and sheep and where our
food comes from were

some of the exciting things that Bumblebees found out about at their farm day last week.

Huge thanks to those parents and friends who helped us to run this day- it was an amazing experience for the children.

Staffing

We wish Mrs Key well as she leaves to go on Maternity leave- very exciting...

Next term, Mrs Savage will be teaching Rabbit Class on Monday, Wednesday, Thursday and Friday; Mrs Baker will teach on Tuesday.

Arrangements for Friday 5th April

On Friday 5th April, we will have our *Spring Assembly* at 2.00pm. Each class will take part in the assembly and the children will welcome your support. (There will be no *Forest Schools* this day.)

After the assembly, children whose parents are present will be able to go home. *After School Club* will take place as usual and the *FABS' Discos* will take place later.

Thank you all for your support of our wonderful children and school, and Happy Easter.

Dawn Gudde

Notes from the office...

Breakfast Club and After School Club

The fees for these clubs have stayed the same since the clubs started a couple of years ago and are reviewed each April.

This time, we are making a small increase in fees, which will start from the beginning of next term. These are in line with or lower than other local providers:

Breakfast Club £5

After School Club until

4.15 £5 (same charge)

After School Club until

6.00 £10

We hope that you will agree that this is still very good value for a valued service.

We are also updating the paperwork for these clubs and will share updated versions with you after the holiday.
