Dear Parents/ Carers,

Before and After School Club Pack

Welcome to our Before and After School Club information.

We hope that this is clear and helpful, which does make it seem rather business-like. Please speak to us if you need clarification or further information- we will be happy to help.

As these terms and conditions differ a little from the previous terms and conditions, we will need a signed copy from a parent/carer of each child who attends Before or After School Club as soon as possible.

Also, please ensure that you have booked your sessions via the Booking Form and arrangements as detailed. We are sorry that we cannot accept bookings via social media, but this isn't possible for Safeguarding reasons.

Some registration forms may have out of date information on them, so we have included new ones for all. Please complete and return together with the reply slip on the Terms and Conditions document.

With thanks and kind regards,

Dawn Gudde

Headteacher
