

## Welcome to Bressingham Primary School 😊

We'd love to welcome you into our school, but it's not possible in these challenging times. We know how important it is for you to feel that you've made the right decision for your child and have put some things together that we hope will help you to find out more and get a sense of what our school is like, for children and parents.

There is...

a prospectus with information, available on our website, at <https://bressingham.norfolk.sch.uk/>

a video which starts with a tour of the school and classrooms and then we let the children talk for themselves, at <https://www.youtube.com/watch?v=HLZwiLRqKeo>

an opportunity to 'meet' some of us in a video call on Monday 30<sup>th</sup> November- please book by email at [info@bressingham.norfolk.sch.uk](mailto:info@bressingham.norfolk.sch.uk) or phone us on 01379 687318

**Here's what this year's Early Years children and parents would like you to know about out school:**

Our child has asked if they can go to school six days a week instead of five!

We have a basketball hoop. I like playing basketball with my friends.

I play with the mud kitchen and make cakes and potions.

We were looking forward to our daughter starting at Bressingham Primary but the reality has far exceeded our expectations. The staff are so friendly and really care about each child.

As a parent, it is a huge comfort being able to send my child into such a wonderful school, I couldn't have wished for a better start to my child's educational journey.

I like playing with my friends inside and outside.

In one of the hardest years to start school, bumblebee class has been a sanctuary of joy, security and normality. Our son goes into school excited for each day and comes home bursting with joy.

The school have navigated these trying COVID times with creativity and have communicated so well with both us and our daughter. Our daughter is settled and loving learning so many new things, we couldn't ask for more!
