

Transition and Leavers' Week

Week beginning: 13th July 2020

Our focus this week is on transition, and sadly saying goodbye to our Year 6 children. It is always good at this time to reflect upon this school year, and also for the children to look forward to moving into their new classes. Obviously, our transition arrangements for this year are a little different, but we would like to prepare the children as best we can. Next year, your child will be moving into Year 2 and I will continue to teach them. Here is a quick 'Hello' from me, and also an additional video from our teaching assistants and midday supervisors.

This will be our last home learning overview, so I would like to take this opportunity to wish you all a wonderful summer, and I very much look forward to being together again in September.

Take care everybody!

Mrs Lewis 😊

Phonics / Reading

Play 'Teach your monster to read' or play a game on Phonics Play.

Read a reading book from **Oxford Owl** or a book from home.

Username: rabbitsclass2020

Password: Keepreading!

Join in with the daily Year 1 phonics lesson. The link to the Letters and Sounds Youtube channel is here: [Letters & Sounds](#)

	<p>Complete the phonic based reading comprehensions. There are three to complete.</p>
Personal Profiles	<p>We would like everyone to complete their own personal profile, so this can be shared with their teacher for next year. It will be lovely for us to find out more about you. What do you aspire to? What are you looking forward to? What would you like to learn next year? What are your hopes and dreams?</p> <p>You can access the templates from the link below. There are numerous designs to choose from!</p> <p><u>Personal Profile Sheets</u></p> <p>It is expected that ALL children should complete these; please email your child's completed sheet to their class teacher. Children should ideally complete the sheets by hand, not typing.</p>
Only One You!	<p>Watch the clip:</p> <p><u>Only One You!</u></p> <p>We would love you to design your own stone. The design and media that you use to design your stone is completely up to you. We will like them to be personal to you, just like in the story. At a later date, we would like to collect the stones and use these to form a trail possibly similar to the picture below.</p> 

Maths

Time, measure, count and record your Sports Week events! Can you improve your scores by practising? Please send in your score sheets 😊

Complete the daily arithmetic practice like we do each morning at school. Choose your level of challenge mild, spicy or hot, or complete all three!

Monday	Tuesday	Wednesday	Thursday	Friday
Mild $17 - 5 =$ $15 + 3 =$ $35 - 5 =$	Mild Double 6 = $20 - 6 =$ Half of 10 =	Mild $15 + \underline{\quad} = 20$ $30 - 10 =$ $22 - 1 =$	Mild $9 + 5 =$ Double 6 = $20 - 8 =$	Mild $18 - \underline{\quad} = 8$ $6 + 14 =$ $22 + 2 =$
Spicy $3 \times 10 =$ $16 \div 2 =$ $18 - 14 =$	Spicy $1 \times 2 =$ $14 \div 2 =$ $30 - 15 =$	Spicy $0 \times 5 =$ $18 \div 3 =$ $12 - \underline{\quad} = 2$	Spicy $4 \times 2 =$ $20 \div 2 =$ $22 - 8 =$	Spicy $5 \times 5 =$ $9 \div 3 =$ $14 - 5 =$
Hot $22 - 12 =$ $22 + 9 =$ $36 + 21 =$	Hot $44 + 42 =$ $17 + 14 =$ $10 \times 5 =$	Hot $8 + 22 =$ $61 + 26 =$ $2 + \underline{\quad} = 18$	Hot Double 33 = $11 + 11 =$ $22 - 20 =$	Hot $22 - 11 =$ $32 - 15 =$ $16 + 25 =$

Log on to the White Rose website (see below) and complete an activity each day. Please remember to select week commencing July 13th. The video clips can be accessed via the link, but the accompanying worksheets are on the home learning page.

[White Rose Maths - Year 1](#)

PE

Try out some of the games/activities written by the children in key stage 2. These can be found in a document on the home learning page- they have made up some brilliant games for you all to try at home! Maybe you could record your own score. Alternatively, you could try out some more of the traditional Sports Day races with members of your family. If you did any of these activities last week, can you improve your performance?

If you are happy to have photos published to the home learning blog and Facebook, please send any photos of you carrying out the events to the year group emails. It would be fun to see you enjoying our Sports Week.

As usual, you could join Joe Wicks, Cosmic Kids or Oti Mabuse all accessible via Youtube.

Spellings

The Big Spell

How many of the Year 1 Common Exception Words can you spell?

For those children who are working on the Year 2 Common Exception Words maybe you can try both!

A copy of these words can be found on the home learning page.

Please continue to read regularly at home.
Remember, reading to your child is as important as listening to them read to you!

There are also many other wonderful learning experiences that you can access at home. The weekly learning activities are just a guide. Please use your discretion to what works best for you and your family. Most of all do things that make you happy and enjoy spending precious time with your family!
